Dr. D. Siva Sankar
Creedmoor State Hospital
Queens Village, New York

Dear Dr. Sankar,

It was kind of you to invite me to participate in the recent symposium, and I found the session I attended most interesting and rewarding. You may recall that I took the liberty of turning over my time to Professor Jiri Roubicek who had recently arrived to join my staff from Prague. I believe he has submitted his discussion, with which I concur.

It was my impression that his summary substituted for my own, and I trust that this meets with your approval.

My best wishes on the success of the volume, and for a prosperous and happy New Year.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
