Dear Mr. Holmes:

I wish to cancel air travel plan account no. TW-046262 in favor of Dr. Max Fink, Executive Director of the Missouri Institute of Psychiatry. Also, please cancel commercial ticket account no. T-46262 and process balance on account as soon as possible.

I am taking the necessary steps to open another TWA ATP account under another title. As the original deposit was paid by me, I would like the original deposit refunded to me.

If you wish, the ticket stock account and air travel account could remain under the original number. I will be in touch with your local sales office for further disposition.

Sincerely yours,

Max Fink, M. D.  
Director
