Dr. Joseph G. Bird
Director of Experimental Medicine
Sterling-Winthrop Research Institute
90 Park Avenue
New York, New York 10016

Dear Joe,

Thank you for the two articles on protein synthesis inhibitors.
I had the one by W. Way but not the other.

I, too, do not see the relevance for our present work; but
have taken the liberty of sending it on to Al Freedman.

Thanks, also, for sending the cyclazocine so promptly.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
