Dear Paul,

I am enclosing the announcement of the "Seminars in Psychopharmacology" for the Nassau NP Newsletter, as well as a small announcement regarding "STP." In addition, there is a suggested format for either a card or letter to be returned to you, and a single page announcement regarding the seminars which might be sent to the membership.

If you prefer not to be bothered with the returns, they can be sent to me at:

Dr. Max Fink  
P. O. Box 269

The more I think of the project, the more enthusiastic I become. I hope the project will interest the membership.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
