Dear Al,

I would like to assure myself of the availability of the facilities of the New York Academy of Medicine Library and have written to them requesting information regarding Fellowship.

The librarian, Miss Annan, indicated that I will require endorsement by three Fellows of the Academy, one of whom must procure the nomination blank on my behalf.

I would be grateful if your secretary would write to Miss Gertrude Annan or to Dr. Bernard Pacella (Secretary, Committee on Admissions) of the New York Academy of Medicine (2 East 103rd Street, New York 10029) requesting a nomination blank.

I would be grateful if you would nominate me, and I will contact some other friends for the necessary additional support.

Many thanks.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
