Dear Bob:

Enclosed is a copy of the report, "Brain Function, Verbal Behavior, and Psychotherapy," for consideration for the APPA volume.

I shall try to provide a preface within the next few days and will take Joe Zubin's suggestion.

I want to take the opportunity to thank you for setting up such a fine meeting. If the rest of the Association enjoyed it as much as I did, then it was most successful.

My best regards,

Sincerely yours,

Max Fink, M.D.
