Dear Philip,

When I received the complimentary copy of *Anticholinergic Drugs* I was very pleased. I think the presentation is a good one and I look forward to the reviews.

When I wrote to Dr. Remarque concerning complimentary copies for the participants, I found that we had agreed that complimentary copies would not be sent to the authors. I regreted this decision and have authorized Dr. Remarque to send one copy to each of the participants at \$7.00 a copy.

I trust this is agreeable to you. My best regards.

Sincerely yours,

Max Fink, M.D.
