Dr. Daniel P. Bobon  
University of Liege  
Clinique Psychiatrique  
Rue Saint-Laurent, 58  
Liege, Belgium

Dear Dr. Bobon:

It gives me great pleasure to invite you to participate in the programs of the Division of Biological Psychiatry of this Department of Psychiatry in 1970. I look forward to having you participate in the work of the Division, particularly in our EEG analytic projects.

The best time to join the Department would be during the month of April, up to May 8, or from May 16 to mid-June. May 8-16 is allocated to meetings of the American Psychiatric Association and Society of Biological Psychiatry, both of which meet in San Francisco this year.

I look forward to having you join in the work of this Department in the spring.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
