José A. Yaryura-Tobias, M.D.
Secretary for Scientific Program
Asociacion Argentina de Psiquiatria Biologica
Parana 866/868
Buenos Aires
REPUBLICA ARGENTINA

Dear Dr. Yaryura-Tobias:

I was pleased with your response to my inquiry and called your secretary to tell her that we would set up such a program. I have invited eight participants; so far, five invitees have accepted and one has declined. I am awaiting the additional responses and have completed the preparation for the program.

I will write to you as soon as the panel has been structured. I would appreciate your scheduling the session on quantitative EEG and psychopharmacology.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
