Dr. Merle Gibson  
Office of New Drugs  
Bureau of Medicine  
Washington, D.C. 20204

Dear Merle,

Thank you for arranging a meeting with Dr. Kelsey. It was most helpful and we may submit a proposal for FDA consideration.

Enclosed is an additional (copy 3) of the submission on concentrate fluphenazine hydrochloride. Two copies were left at your office, and I trust that these are satisfactory.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
