Dear Dr. Ladewig,

The final details of the CIMP symposia are now completed and it is my understanding that you will present a report, *Amphetamine and Hallucinogen Dependence in Europe*, as a joint presentation with Dr. Battegay.

I am enclosing the application forms for registration at the meeting as well as the formal acceptance of your report for the Program Committee.

Please note that the Committee has requested a written paper for publication be submitted at the time of the presentation. I would like to accommodate the Committee and am asking each of the participants to cooperate.

I look forward to your presentation and to meeting you in Prague.

My best regards, and my thanks for your cooperation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
