Dear Drs. Vinar and Votava:

Thank you for your kind invitation to participate as a member of the Program Committee for the 1970 CINP Congress in Prague. I am pleased to accept and look forward to joining you next spring.

The dates suggested, April 11-12, are difficult for me. It would require a special trip. However, I plan to be in Europe from May 11-16 and would find it convenient to meet with you either on May 8-10 or early in the week of May 18. Either of these dates would permit me to make one trip.

If these dates are not convenient, it may yet be possible to be in Europe late in February and I would be able to join a meeting in Prague at the end of that month, between February 28 and March 2.

I hope it may yet be possible to arrange the meetings of the Program Committee at any of these, more convenient dates.

As to suggestions for topics of symposia of the Congress, I am listing these separately in the attached memorandum.

I look forward to joining you in the spring.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
