Gentlemen:

Earlier this year the Ciba Foundation sponsored a meeting on cannabis, marijuana and tetrahydrocannabinol. I have been invited to organize a similar meeting in the U.S! emphasizing the biological aspects of these compounds. It would be most helpful if I could obtain a copy of the invited participants in your symposium as well as the titles of their presentations.

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
