Dr. Ralph Dudley Miller  
Research Associate  
Vanier Building, Nepean St.  
Ottawa, Canada

Dear Dr. Miller:

I missed you at Dr. Miras last Saturday, and again at your hotel. I trust you were not too dismayed by the disparity of the state of the reconstruction of the Miras' laboratories and his ebullient optimism.

You and Heinz mentioned the availability of the full LeDain report. May I trouble you for a copy?

Many thanks.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
