Dear Max:

Complications have arisen in our summer plans in that we do not think that we can take our joint trip to Europe. In part, this is because we have received another invitation to go to Germany at the end of October and Dr. Itil and I would probably prefer this latter trip. We cannot afford both.

Therefore, would you please cancel the reservations that you have made for us to leave in August. Within the next ten days I should know more about whether Dr. Itil and I will be going in September or October and I will write or call you at that time.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
