Dear Dr. Brazier:

During the past week I have had a number of demands on my time which makes it necessary for me to cancel my forthcoming trip to California. I want to thank you for your help in making the arrangements with Dr. French. I will have to forego this visit and hope that I can, at some later date when I again have the justification of flying to California, to call on you and perhaps we can then discuss some of the questions, that are of interest.

Many thanks for your help.

Sincerely yours,

Max Fink, M.D.
