Dear Mr. Langenberg:

It was kind of you to reply to Mr. Stuart's call. As you well know, this gift of four shares of Minnesota Mining and Manufacturing Common Stock represents the first securities in the Foundation's portfolio.

The Foundation will use these funds to support its research and teaching activities. During the past few years it has been the availability of such non-earmarked funds which have been of exceptional help in the research programs of the Institute since they have made it possible for us to satisfy the request of the scientists as they have developed in active programs.

My best wishes for the coming year. I look forward to seeing you Friday afternoon and at our meeting on Tuesday.

Sincerely yours,

Max Fink, M.D.
Executive Director
