Dr. P. Kielholz
Psychiatrische Universitätsklinik Basel
Wilhelm-Klein-Strasse 27
4056 Basel, Switzerland

Dear Dr. Kielholz:

Some of the earlier suggested participants were unable to attend. I have sent the second round of invitations.

If Dr. John Griffith accepts, he will present his data on amphetamine abuse in the U.S. Your observations, on drug abuse in Europe, should be a logical accompaniment of this data, either as discussion or as a contrasting (parallel?) report. Would you please send me a title and a 100-150 word abstract, as soon as practicable?

As soon as the various invitees have agreed, I will write immediately.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
