Donald F. Klein, M.D.  
Hillside Hospital  
P.O. Box 38  
Glen Oaks, New York

Dear Don:

In packing my books in New York I came across copies of this document - describing our scope programs for psychiatric diagnosis based on Diagno-II. I cannot recall sending one to you before, and so send this now - perhaps it will be useful to your team.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
