Dear Morry:

Thank you for the equipment list. We have gone ahead and equipped most of the laboratory, but look forward to having you check our requests next week.

I will arrange to have someone meet you at the airport at 11:02 a.m. It would be nice if you would stay for dinner and arrange to take the 8:45 p.m. flight back.

Enclosed is a Tax Exemption Certificate for your use in purchasing your tickets.

Many thanks.

Sincerely yours,

Max Fink, M. D.  
Director
