The Institute for the Study of
Drug Dependence
Chandos House
2, Queen Anne Street
London, W1m 0BR, England

Gentlemen:

We are planning a conference on cannabis and in writing to the Ciba Foundation regarding their recent guest meeting, they directed us to you. We would appreciate a list of the participants at the Ciba meeting on the botany and chemistry of cannabis and the titles of their presentations. This would be helpful to us in planning our conference.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
