Dear Bob:

I am sorry that the timing for our visit seems so inopportune. After speaking to you about August 10, I have discussed this with Dr. Itil and find that he will not be available at that time. While I would not object too strongly to leaving the beach to come to Philadelphia, I really wonder if this would be helpful to us?

I will make whatever arrangements are most suitable for you and your associates.

In the meantime, I think it was better to cancel the hotel reservations and for me to return the check for \$174.09 (SKF A 87632), which is enclosed.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
