Dr. Eli Robins  
Department of Psychiatry  
Washington University School of Medicine  
660 South Kingshighway  
St. Louis, Missouri

Dear Eli:

Enclosed find a copy of a Research Application K-6-MH-22572-01, which is my application for a Career Award.

I would be most grateful for your cooperation in obtaining my objective. Your comments on the application itself and on the review committee would be most helpful.

My best regards,

Sincerely yours

Max Fink, M. D.  
Director
