Dear Sam,

Thank you for sharing the very interesting protocol on haloperidol and ECS. It is quite detailed and should answer the questions handsomely. Let me know if there is anything that I can do to assist Dr. Galloway. We are particularly adept at searching the literature and in identifying sources to answer technical questions (about ECS) as they may arise.

Martha and I would be delighted to meet you and/or Lisl in New York. You can reach us most evenings at our home (516 862-6651) or our apartment in Great Neck (516 466-2307).

My best regards.

Sincerely yours,

Max Fink, M.D.
