Dear Mrs. Lehman:

I very much enjoyed the conference on April 17, 1974, and I am indeed grateful for the tape. I have already received a number of calls and letters from "patients" who read an over-enthusiastic summary which appeared in a Chicago newspaper.

I hope the meeting served a useful purpose for NIMH and was glad to have had the opportunity to participate.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
