Ms. Millicent K. Trachtenberg, Administrator
Fieldston Lodge Nursing Home
666 Kappock Street
Bronx, New York 10463

Dear Ms. Trachtenberg,

Mrs. Sonna Durbin served as a research nurse in the Department of Psychiatry at the New York Medical College Division in Metropolitan Hospital from approximately 1969 until I left in 1972. Thereafter, she continued to serve my successor, Dr. Richard Resnick.

I found her personable, cooperative and bright. She is a fine nurse and was able to assume responsibility for the administration of drugs, the rating of patients, and the keeping of research records for a number of my studies.

When I left New York Medical College I invited her to join me in Stony Brook and I regretted that she did not do so.

I trust this is helpful.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
