

October 21, 1970

Dr. Wilma Harrison  
Geigy Pharmaceuticals  
Ardsley, New York

Dear Wilma,

Enclosed is our "final" report on the pilot GP 41299 study, and the Geigy "Record of Treatment" forms for 12 patients. These data are to replace our earlier interim reports.

We anticipate the clinical GP 41299 - placebo study, to start next month.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
