Dr. Sarnoff Mednick  
2 Perry Street  
New York, New York 10014

Dear Sarnoff,

Stanley Feldstein recently brought to my attention his failure to request a honorarium for your visit to us, too long ago. Please accept my personal apologies for we did not usually operate this way!

Many thanks for your lecture, and my best wishes for the continued success of your program.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
