Dr. Lothar Kalinowsky
115 East 82nd Street
New York, New York 10028

Dear Lothar,

Thank you very much for a most pleasant lunch.

I am not surprised that this old report on Indoklon is not well known, but I am taking the liberty of sending you a reprint.

I look forward to visiting you at Gracie Square on May 5.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
