Dear Doctor Gritz,

At the present time April 2nd and 3rd are both open and I will be glad to see you. If you will describe the questions which you would like to have answered I can make the arrangements either in New York city or at Stony Brook.

You may be particularly interested in a session organized by Columbia University on Wednesday, April 4th and Thursday, April 5th on the subject "Drug abuse: Narcotics and Psychotomimetics" which is being organized by Dr. Lance Simpson of the Department of Pharmacology at P.I.S.

I look forward to seeing you.

Sincerely yours,

Max Fink, M.D.
