Dr. James Merkel
Squibb Institute for Medical Research
New Brunswick, New Jersey

Dear Dr. Merkel:

May I request, once again, an experimental supply of Prolixin tablets, 1 mg x 1000. We are maintaining approximately thirty patients on depot Prolixin and now are introducing a number of patients with a two week trial of oral Prolixin.

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
