Dear George:

I am taking the liberty of enclosing a copy of the report by Dr. Itil and Dr. Keskiner on their experience with Butaperazine. Dr. Keskiner is pleased to represent the Institute at the next E.C.D.E.U. meeting, and he has prepared a short summary of these observations which he will be prepared to present at your and Jonathan's request.

I regret that I will be unable to attend this meeting but look forward to joining you at the next one.

Sincerely yours,

Max Fink, M.D.  
Director
