Dear Art:

The enclosed is self-explanatory. May I suggest that you send Dr. Alexander a copy of your curriculum vitae.

I will be most pleased if Gordon Marjerisson would consider joining us, for since our breakfast in New York, I have received only the highest compliments concerning his work record from some of our mutual acquaintances in New York.

Thank you once again for recommending him.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
