Dear Murray,

I would be pleased to have Dr. Ellen Gritz visit  
us at the end of March.

As I mentioned to you, I am now responsible for  
the V.A. program at Northport in eastern Long Island,  
and also am Consultant to my former program at the  
New York Medical College. If she will write describing  
some specific aspects of her interest, I will arrange for  
her to visit either or both units.

I look forward to seeing her.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
