Dear Dr. Lindsey:

Your letter addressed to me in Missouri has just been received in New York. I moved here two years ago. I am taking the liberty of sending your letter to Dr. Ali Keskiner, Associate Professor of Psychiatry at the University of Missouri School of Medicine and I suggest you contact him for any help that my associates can give you. In the event he is out of town you may wish to reach Dr. J. M. C. Holden at the same institution.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
