Dear Al:

I am planning to be East during the third week of April, and will be in New York City the evening of April 24 and all day the 25th.

Is it possible for me to visit you on the morning of the 25th? If that is unsatisfactory, I can stay over until Monday morning and would it be possible to see you on the morning of April 27?

My best regards.

Sincerely yours,

Max Fink, M. D.
