Dear Dr. Taylor:

Thank you for your kind invitation, and I look forward to joining you on Wednesday, November 25, about noon, in the Mills Building auditorium or PGH Cafeteria.

May I ask that I be listed by my abbreviated name, Max Fink, M.D.? Somehow, the Maximilian has always seemed too formal.

Incidentally, I would like to use 2 x 2 slides.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
