

December 28, 1962

Dr. W. P. Wilson  
Department of Psychiatry  
Duke University Medical Center  
Durham, North Carolina

Dear Bill:

In checking the galley proofs of an article on EEG soon to appear in Gil Glaser's book, I have decided to make reference to the article which I have submitted to you for the volume reporting the Duke symposium. So that I might report the reference accurately, can you tell me if you already have a publisher and who the editors are?

My best wishes for a happy New Year.

Sincerely yours,

MISSOURI INSTITUTE OF PSYCHIATRY

Max Fink, M.D.
