Dear Bob:

Enclosed are the two revised budgets, for the Jamaica and Greek study programs.

Separately we will send the detailed progress report and protocol for the Greek study, probably within the next 10-15 days.

For the Jamaica study, we are unable to relate our proposal to the prior study without your help. With it, we will accommodate the social aspects to the data of the prior study.

Many thanks for your time.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
