Dear Miss Cronwell:

I discussed with Dr. Bouthilet on Friday the possibility of a member of my staff, Mrs. Marge Brown, working at NIH and the National Library of Medicine to complete the bibliography.

She is arriving in Washington on Wednesday, June 12, 1963, at 1:38 p.m. She will be staying at the Bethesdan Motor Hotel, 7740 Wisconsin Avenue. I have asked her to call you when she arrives in Washington and I should be grateful if you could arrange to introduce her to the NIH Library and the National Library of Medicine, as well as making available to her such documents as you may have at Psychopharmacology Service Center.

I would be grateful for any help that you may be able to give her.

Sincerely yours,

Max Fink, M. D.
Director
