Dear Al,

Enclosed is the application for an NIMH research grant, to permit me to complete the analyses on the present EEG program. I would be grateful if your secretary would complete the appropriate covering forms and have the face sheet signed by Dr. Snider. If page one is then collated and the completed application sent directly to Jonathan Cole, the procedure will be completed. I am writing to him to indicate that this will arrive about two weeks late.

I should also like to confirm my visit with you on February 21. I have invited Don Shapiro to come to your office about 10:00 a.m. Attached are some copies of his curriculum vitae.

Many thanks.

Sincerely yours,

Max Fink, M.D.
