Dear Miss Garrison:

After our phone conversation this morning, I spoke with Miss Gulmi about your proposed visit to St. Louis the end of June. Her staff should all be available Thursday, June 27, 1963.

If you will let me know what flight you are taking, and what time you will be arriving, I shall arrange to have you met at the airport.

We are both delighted you will be able to visit us and look forward to seeing you June 27th.

Sincerely yours,

Max Fink, M. D.
Director
