Dear Dr. Berman,

Thank you for the kind invitation to be considered for the position of Chairman of the Department of Psychiatry. I regret that I cannot face relocation again, and cannot apply for this position.

If he is not already on your list, you may wish to consider Charles Shagass, M.D. of Temple University. He is an outstanding teacher and researcher, a political leader (President of the American Psychopathological Association and the Society for Biological Psychiatry), and well liked by his colleagues.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
