William Dent, M.D.  
A.H. Robins Co.  
1407 Cummings Road  
Richmond, Virginia 23220

Dear Bill,

I tried to find Dr. Tisdale at the Florida meetings of ECDEU, but failed. We are interested in continuing studies of AHR 2277 and would be grateful if you would send me the latest investigator's summary and proposed protocols.

My regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
