Dr. Alain J. Sanseigne
Parke, Davis & Company
Department of Clinical Investigation
2800 Plymouth Road
Ann Arbor, Michigan

Dear Dr. Sanseigne:

We are unable to supply the FDA with the information that they are requesting. If such is available without too much discomfort, my associates and I would like to be able to supply this information. If it is not too inconvenient can some of these inquiries be answered?

My best wishes for the New Year.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
