Dear Dr. Woodard:

While I believe the City of New York will eventually honor its contract, it seemed prudent to avail ourselves of the good offices of SAODAP - with the hope that they will, either by the majesty of their office or by direct support, gain reimbursement for your efforts. I have called Dr. Alan Green of SAODAP and asked him to advise us as to what they can or may wish to do to assist us in making your data available for an IND filing.

I anticipate receipt of the report you sent recently. Meanwhile, in anticipation that Mr. West can supply the documents that the City, through its agent Mr. Jacobs, wishes prior to payment, I would ask that these be supplied directly to our fiscal officer, Mrs. Waldov.

I am optimistic that these issues will be resolved, and look forward to testing diprenorphine in man.

Many thanks for your efforts.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
