Dear Mr. Dad:

Thank you very much for your letter the for the opportunity to review your application.

The laboratory is still undergoing development and I do not have a specific position opened to date. However, I would like the privilege of keeping your application on file and writing to you when such an opportunity presents itself. Incidentally, I am no longer at the University of Missouri and any position which may be available will be in New York.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
