Dr. Herman C. B. Denber
Manhattan State Hospital
600 East 125th Street
Wards Island
New York, New York 10035

Dear Hy,

I regret that I missed Dr. Teller's presentation at the GWON, but I recall your saying that a draft of his paper might be available. If so, I would be grateful for a copy.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
