Dear Dr. Warman:

Your letter regarding an appointment in the Department of Psychiatry at the New York Medical College was sent to me for reply.

The first of the Community Mental Health Centers for the State of New York has been established at Metropolitan Hospital. We are now expanding the clinical program in anticipation of the completion of this new building and appointments are being made to a variety of services.

I would be pleased to have an opportunity to meet with you. Please call my secretary at 369-7900 for an appointment.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
