20 West 74th Street
New York, New York

Dear Stanley:

I have had the report which was read a few weeks at the Divisional Meeting mimeographed, and I am taking the liberty of sending you two copies (one for Joe).

The EEG analyses are now being done and I think the data should be available within a few weeks.

The tapes should have arrived by now. If they have not, please send me a note.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
